BALANCE DUE

Upon Receipt

R6000.00

Notes

Please see invoice below, although it has the full package prices for a CMS build in Wordpress, we have discounted it to R6000.00. We are currently on our staging phase, where 33% of the amount would have been initially paid, but we shall do this once we receive your feedback with the current phase. Once we have implemented your feedback, and you are happy for us to go live, the remainder will be expected before go live*.

*Please note a maximum 3 month payment plan can be negotiated post go live.
